

To whom it may concern

Thank you for choosing to stay at our hotel. Please note that the V&A Waterfront Company is moving into the third phase of its building programme next to our hotel.

Please note that construction work in our car park area has now been completed. However, we are still short of 20 parking bays for a while, but will be able to offer parking in front of the Queens Hotel in the meantime.

As from January 4, 2017, work will begin on a multi-storey car park adjacent to our hotel. This is expected to be completed by the end of 2017. The gardens and pathway next to the canal will also be re-established during the year.

Construction work will happen from 07h00 to 22h00 from Monday to Sunday and will unfortunately result in some dust and noise pollution. We will be doing our utmost to keep guest inconvenience to an absolute minimum during this time.

Thanking you in advance for your understanding.

Kind Regards
City Lodge V&A Staff and Management
